The Soul of a Family Business

PURSUIT OF EXCELLENCE

A champagne house's style lies at the soul of its wine, taking its energy from its roots, its creativity and a legacy of knowledge. This underpins the strength and special composition of Taittinger champagnes.

This composition is the result of a magical, intuitive and complex process, one which Pierre-Emmanuel, Clovis and Vitalie Taittinger know how to create and sustain, supported by a tasting panel formed from a rich pool of complementary talents.

Start your culinary experience with the perfect aperitif, a glass of Taittinger Champagne.
